MARRIAGE AND FAMILY THERAPY APPROVED CONTINUING EDUCATION

The following programs have been reviewed and approved by the MFT Continuing Education Committee of the Board of Examiners. With this approval, the programs meet continuing education requirements for renewal of your MFT license as required by the Mississippi Board of Examiners for Social Workers and Marriage and Family Therapists. This list is provided as a courtesy to licensees and may be updated on this website once monthly. If you have any questions or concerns about a program, please contact that sponsoring organization at the phone number or email provided on this list.

The continuing education offerings for each discipline (social work and marriage and family therapy) are approved independently. Licensees should NOT assume that an approved offering for one discipline is also approved for the other discipline. The MBOE website maintains separate lists of approved continuing education offerings for social workers and marriage and family therapists.
