

## A Quickstep Guide to LMFT Status

This document is provided as a guide to LMFT status. Please be sure to read the requirements in the Rules and Regulations for more detailed information. All forms can be found under MFT → MFT Forms. If you are licensed in another state as an LMFT, please see the LMFT Endorsement Application under MFT Forms.

### Apply for the AMFTRB Exam

During your last semester in a COAMFTE accredited masters or Ph. D program in MFT, you can apply to sit for the AMFTRB exam.

Please note that the exam can also be taken after you graduate.

### Apply for Supervision

Once you graduate from the COAMFTE Accredited MFT program, you can apply for supervision. Supervision can be completed whether or not you have passed your exam.

### Applying for LMFTA

Once you have passed the AMFTRB exam, and have been approved for supervision, you can apply for the LMFTA level. Please be mindful that you must have a plan of supervision either already approved or you must submit the plan of supervision with the LMFTA application. You will not be approved for LMFTA until your supervision is approved.

### Applying for LMFT

Once you have completed supervision and have a successful passing score from the AMFTRB exam, you can complete the application for LMFT. A checklist and all documents you will need are provided with the application packet under MFT--> MFT Forms.
