

Treatment Specialist (TTS) Training Program

UNIVERSITY OF MISSISSIPPI MEDICAL CENTER
 ATTUD / CTTTP Nationally Accredited Program 2017 – 2022
 March 11 – 15 2019, Flowood MS

We have trained professionals since 2002 to deliver an evidence-based, high-intensity, cognitive-behavioral plus pharmacotherapy treatment program for tobacco dependence. Modules emphasize key knowledge areas and hands-on experiences needed to develop skills to construct and deliver a quality program. Lecture, discussion, and role play approaches are used to facilitate learning.

Attendees who complete the program are eligible for the National Certificate in Tobacco Treatment Practice (NCTTP)

Who Should Attend

Healthcare, Mental Health and other professionals interested in tobacco control program delivery and development; Educators and Researchers interested in tobacco dependence and treatment
