Rule 4.1 CONTINUING EDUCATION

A. Purpose

The purpose of this section is to establish the continuing education requirements for licensed marriage and family therapists (LMFT). The LMFT license must be renewed biennially. Licensed marriage and family therapy associates (LMFTA) are not required to participate in continuing education. The continuing education offerings for each discipline (social workers and marriage and family therapists) are approved independently. Licensees should NOT assume that an approved offering for one discipline is also approved for the other discipline. The MBOE website maintains separate lists of approved continuing education offerings for social workers and marriage and family therapists. The primary objective of continuing education must be to maintain and improve the quality of professional services in marriage and family therapy provided to the public; maintain and improve the therapist's knowledge of current research, techniques, and practice; and provide other resources which will improve skill and competence in marriage and family therapy. A licensee will receive credit only for continuing education programs or activities approved by the MFT Continuing Education Committee. Approved programs will be listed on the Continuing Education Offering for MFTs page on the Board's website. Continuing education hours must be relevant to the practice of marriage and family therapy as determined by the Board in accordance with the criteria cited at Part 1903, Chapter 4, Rule 4.1(H) of these Rules and Regulations.

B. Requirements

All licensed marriage and family therapists must complete twenty-four (24) hours of approved continuing education during every two (2) year license period. Four (4) out of the 24 must be approved MFT professional ethics hours. The Board will not approve self-directed learning projects and/or distance learning/internet (online) learning courses for the MFT ethics CE requirement. All Board approved supervisors, including those with AAMFT Approved Supervisor standing, must complete two (2) approved hours of MFT supervision continuing education each renewal period. No supervision continuing education hours are required for the first renewal period. The Board will not approve self-directed learning projects and/or distance learning/internet (online) learning courses for the supervision CE requirement. It is the responsibility of each licensee and supervisor to determine in advance that the continuing education activity has been approved by the MFT Continuing Education Committee.

C. Board Continuing Education Committee
The MFT Continuing Education Committee shall consist of designated members of the MFT Discipline Specific Committee. The Board may also select non-Board members who they deem qualified, to serve on the MFT Continuing Education Committee. At least one member of the committee must be a professional educator from a COAMFTE MFT program. The chair of the committee will be a member of the MFT Discipline Specific Committee.

D. Determination of Clock Hour Credits

MFT Continuing Education Committee approved offerings shall be credited with one continuing education clock-hour credit for each one clock-hour spent in the continuing education activity, unless otherwise designated by the Board. Time devoted to registration, organizational business, breakfasts, luncheons, dinners, or other refreshments shall not be counted as instructional or continuing education credit time.

E. Types of Acceptable Continuing Education

a. The group must be led by a Board Approved supervisor.

b. A supervision plan documenting the names and license numbers of all participants, proposed learning objectives and an outline of the process for meeting each learning objective must be approved in advance by the MFT Continuing Education Committee. Only plans meeting the criteria for approval of continuing education activities listed in Part 1903, Chapter 4, Rule 4.1(H) of these rules and regulations will be approved. Failure to submit a plan within the sixty-day time period could result in disapproval of the activity for continuing education credit.

c. Each participant must complete a post evaluation report documenting the effectiveness of the group learning experience and turn it in to the Approved Supervisor leading the group. This report should include evidence that the learning objectives were met. The Approved Supervisor shall maintain these reports for a period of four (4) years following completion of the supervised self directed learning group experience.

Providers may include, but are not limited to, colleges and universities, individuals, mental health agencies, private mental health organizations, and professional organizations. Home study programs are encouraged to apply for approved provider status.
Applicants for approved provider status must complete the necessary application and submit it to the MFT Continuing Education Committee and pay any associated fees (see section IX.B) required by the Board. The MFT Continuing Education Committee will evaluate the application and notify the applicant in writing regarding the approval of that application.

If granted, Approved provider status will expire on December 31 of each year. However, if an initial application is approved after September 1, the status will expire December 31 of the following year. Approved providers must reapply each year in order to maintain their approved provider status.

Approved providers are not required to submit an additional application fee per offering during their “approved provider” year. However, they must submit the appropriate application for each individual continuing education offering to the MFT Continuing Education Committee for review and approval. Each approved offering will be issued an approval number that must appear on the certificate provided to the participant. All applications should be received at least sixty days in advance of the offering in order to receive full consideration by the Committee. Failure to submit a plan within the sixty-day time period could result in disapproval of the organization or individual as an approved provider of continuing education.

G. Approval Procedure for any organization or individual that is not a Board approved sponsor or designated provider

Any organization or individual that is not a Board approved continuing education provider must submit an application for each continuing education offering sixty days prior to the date of the offering. The applications must be made, in writing, to the MFT Continuing Education Committee, which reviews and pre-approves continuing education. NO RETROACTIVE APPROVALS WILL BE MADE. Continuing education hours acquired to meet the deficiency may not be applied to any other renewal period. If the licensee does not rectify the deficiency within that six (6) month period, the license will be subject to disciplinary action, including revocation, for failure to comply with the continuing education requirements. 

K. Re-evaluation of Continuing Education
A licensee who believes that evidence of continuing education was appraised incorrectly by the Board, may make a written request for re-evaluation to the Board within thirty (30) days of the Board’s finding. Verbal requests will not be honored.

L. Waiver of Continuing Education Requirements and Request for Extension of Time to Complete Continuing Education Requirements

1. 2. The Board may extend the time within which to fulfill continuing education requirements to a licensee during a given continuing education renewal period on an individual basis for reasons of hardship, such as severe illness, disability, military service or other good cause. Any waiver or extension of time will be granted solely in the discretion of the Board.

Extensions of time (6 month extensions) may be granted by the Board for a period not to exceed one (1) calendar year. The grant of an extension by the Board will result in the renewal of a license based on the condition that the licensee completes the continuing education requirement by the deadline established by the Board.

5. A waiver of continuing education requirements granted pursuant to this section shall be effective only for the biennial period in which
such waiver is granted. If the condition(s) which necessitated the waiver continues into the next biennial period, a licensee who seeks another waiver must apply to the Board for a renewal of such waiver for the new biennial period.

6. If an extension of time is granted, the license will be placed on active status but the license shall be automatically changed to inactive status at the end of the extension period unless the licensee satisfies the continuing education requirement prior to that time.
