

**A Guide to Continuing Education Requirements for LMFTs
and
Continuing Education Providers**

**Mississippi Board of Examiners for
Social Workers and Marriage and Family Therapists**

Revised 06/24/2022

Introduction

The purpose of this Guide is to outline the continuing education requirements for the renewal of licensure which an LMFT must complete biennially, as well as provide the guidelines and forms for potential continuing education providers. Licensed Marriage and Family Therapist Associates (LMFTA) are not required to participate in continuing education activities.

The primary objective of continuing education must be to maintain and improve the quality of professional services in marriage and family therapy provided to the public; maintain and improve the therapist's knowledge of current research, techniques, and practice; and provide other resources which will improve skill and competence in marriage and family therapy. A licensee may only report credit for continuing education programs or activities approved by the MFT Continuing Education Committee. Approved programs will be listed on the Continuing Education Offering for MFTs page on the Board's website. Continuing education hours **must be relevant to the practice of marriage and family therapy as determined by the Board.**

The continuing education offerings for each discipline (social workers and marriage and family therapists) are approved independently. Licensees should NOT assume that an approved offering for one discipline is also approved for the other discipline. The MBOE website maintains separate lists of approved continuing education offerings for social workers and marriage and family therapists.

Information for Licensees

A. Requirements for Licensees

All licensed marriage and family therapists must complete twenty-four (24) Hours of approved continuing education during every two (2) year license period. Four (4) out of the 24 must be approved **MFT professional ethics hours**. All Board approved supervisors, including those with AAMFT Approved Supervisor standing, must complete two (2) approved hours of MFT supervision continuing education each renewal period. No supervision continuing education hours are required for the first renewal period. It is the responsibility of each licensee and supervisor to determine in advance that the continuing education activity has been approved by the MFT Continuing Education Committee. No continuing education hours are required for the first renewal period.

It is the responsibility of the licensee to obtain a certificate, transcript or other official document from the approved provider showing the appropriate information. The supporting documentation verifying the continuing education must be kept by the licensee and not sent to the Board unless the Board makes a request in writing for the documentation as a part of the audit process. The licensee shall maintain for four (4) years their own records and official verification of the continuing education they have completed. The Board will not maintain continuing education files for the licensees.

The Board will annually audit or cause to be audited a minimum of twenty percent (20%) of the continuing education reports accompanying the renewal applications. Licensees whose reports are audited will be required to provide a copy of the official documentation of their continuing education activities. If a licensee fails to provide the Board in a timely manner (not to exceed thirty {30} days following the time they are notified of the audit) with official documentation of the total hours listed on their renewal application, the license will be suspended following written notification from the Board and will remain suspended pending further Board action. If, during the audit, the Board disqualifies any of the documented continuing education hours and the licensee does not have sufficient acceptable hours remaining for that renewal period, the Board, at its discretion, may

renew the license under the conditions that the continuing education hours will be obtained within six (6) months of the notice of deficiency. Continuing education hours acquired to meet the deficiency may not be applied to any other renewal period. If the licensee does not rectify the deficiency within that six (6) month period, the license will be subject to disciplinary action, including revocation, for failure to comply with the continuing education requirements.

A licensee who believes that evidence of continuing education was appraised incorrectly by the Board, may make a written request for re-evaluation to the Board within thirty (30) days of the Board's finding. Verbal requests will not be honored.

The Board may waive some continuing education requirements to a licensee who was not engaged in the practice of marriage and family therapy during a given continuing education renewal period on an individual basis for reasons of hardship, such as severe illness, disability, military service or other good cause. Any waiver will be granted solely in the discretion of the Board. Please check the current rules and regulations for an explanation of this process.

B. Types of Acceptable Continuing Education

Credit will be given only for continuing education programs or activities approved by the MFT Continuing Education Committee (a list is available on the Board's website). To be acceptable to the MFT Continuing Education Committee continuing education offerings for LMFTs must conform to at least one of the seven content areas specified below under Criteria for Approval of Continuing Education Activities. A qualified presenter is someone found by the Board to be a professional in marriage and family therapy, another mental health discipline, or another profession with information, knowledge, and skills relevant to the practice of marriage and family therapy.

The following types of continuing education activities are acceptable **provided that the standards set forth below under Criteria for Approval of Continuing Education Activities have been met:**

1. Continuing education activities related to the practice of marriage and family therapy offered by the American Association of Marriage and Family Therapy (AAMFT) and any of its divisions, including the Mississippi Association of Marriage and Family Therapy (MAMFT); Mississippi Board of Examiners for Social Workers and Marriage and Family Therapists; and the Association of Marital and Family Therapy Regulatory Boards are automatically approved by the MFT Continuing Education Committee.
2. Successful completion (grade B or better), from a regionally accredited college/ university, of a graduate course related to the practice of marriage and family therapy. One (1) academic semester hour will be equivalent to 5 hours of continuing education hours;
3. Teaching in a graduate school of marriage and family therapy. Credit will be applied at the rate of three (3) hours for every credit hour taught; teaching may count for no more than ten hours of the biannual continuing education requirement;
4. Presenting workshops, seminars, or lectures that are approved for CE credit for LMFTs will awarded CEU credit at the rate of 2 hours of credit for each hour of presentation (if the same offering is presented multiple times during the two year renewal period, the continuing education credit hours may only be counted the first time the offering was presented);

5. Self-Directed Learning Projects and/or Distance Learning/Internet (Online) Learning Courses: Continuing education hours for distance learning/internet learning courses will only be granted for courses offered by Designated Providers, MBOE approved providers or by prior approval by the MFT CE Committee on a per case basis. The MFT CE Committee will grant continuing education hours only after completion of the course and proof of successful completion of post-test, course examination, and/or evaluation from the online course provider. No more than 6 hours of the 24 required hours may be earned in this manner during each two year renewal period. **Ethics continuing education credits may NOT be obtained this way. A list of approved ethics courses may be found on the Board's Website;**
6. Continuing education credit may be earned by Board approved supervisors for clinical supervision of individuals with active Supervision Plans on file with the Board. Supervision may count for no more than ten hours of the biannual continuing education requirement, but not count toward the two hours required for Board approved supervisors to maintain their approved supervisor status; and,
7. An author of a book or peer reviewed article which enhances a marriage and family therapist's knowledge or skill may be granted continuing education credit not to exceed one-half of the biannual continuing education requirement.
8. Supervised Self Directed Learning Groups: Licensed marriage and family therapists may earn up to eight (8) continuing education hours for each renewal period through participation in a Board approved supervised self-directed learning group. In order to receive Board approval the following requirements must be met:
 - a. The group must be led by a Board Approved supervisor.
 - b. A supervision plan documenting the names and license numbers of all participants, proposed learning objectives and an outline of the process for meeting each learning objective must be approved in advance by the MFT Continuing Education Committee. Only plans meeting the criteria for approval of continuing education activities listed in Part 1903, Chapter 4, Rule 4.1(H) of these rules and regulations will be approved. Failure to submit a plan within the sixty-day time period could result in disapproval of the activity for continuing education credit.
 - c. Each participant must complete a post evaluation report documenting the effectiveness of the group learning experience and turn it in to the Approved Supervisor leading the group. This report should include evidence that the learning objectives were met. The Approved Supervisor shall maintain these reports for a period of four following completion of the supervised self-directed learning group experience.
 - d. Participation in each supervised self-directed learning group shall be limited to no less than four (4) and no more than eight (8) participants and a State Approved Supervisor.
 - e. The supervised self-directed learning group supervisor must issue each participant a signed certificate of completion containing the participants name, license number, number of hours completed, dates of attendance, and MFT CE approval number.

- f. MFT ethics CE hours and Approved Supervisor CE hours will not be awarded for participation in any self-directed learning projects.
- g. The fee for supervised self-directed learning group approval shall be the same as the fee for becoming a Board Approved Continuing Education Provider.
